COLORS COLLECTION

THE SENSORIAL
CHROMATIC GARDEN

Research and innovation, experience and technique, technology and nature, and harmony and sensorial awareness. The right balance is required to make anything to work.

Our love of nature has given rise to the **BALANCE COLORS COLLECTION**, the ICA Group chromatic garden of **finishes for interiors**, where the senses engage with various **visual and tactile perceptions**.

NUANCES AND SPECIAL EFFECTS
THAT GENERATE STRENGTH AND HARMONY

SAVANNAH

MOODBOARD

SAVANNAH is one of the moodboards of the **BALANCE** collection. It is a **palette inspired by the natural environment of the Savannah**, but also encapsulating the finishes, textures and details of this landscape.

SAVANNAH FINISHES FOR INTERIORS

We live in a world of **nuances, textural detail and colors**, which is a continual source of inspiration and wonder for us. With SAVANNAH, we give space to our love of **nature**, promoting growth of **ICA's chromatic garden**. Here, the senses engage with various visual and tactile perceptions.
